## EXPERIENCE

Campus Credentials, Remote

May 2025 - July 2025

### Front-End Development Intern

React.js | Tailwind CSS | Node.js | GitHub

- Contributed to the development of an online learning platform using React.js.
- Built and optimized user-friendly web pages and components for students and instructors.
- Implemented responsive UI using React, HTML, CSS, and JavaScript.

## SKILLS

**Languages :** C, Python, JavaScript, SQL

**Database :** MongoDB, Express, MySQL, Supabase

**Frontend :** React.js, HTML5, CSS, BootStrap, Tailwind CSS

**Tools:** Windows, Git, Github, Figma

**Backend:** Node.js, REST APIs

**Coursework :** Web Development, API Integration, Machine Learning Basics

## PROJECTS

### Exam Portal (Node.js | React.js | Javascript | Express.js | MongoDB | TailwindCSS)

- Developed a web-based platform for conducting online exams with separate logins for Admin, Teacher, and Student. Teachers can create and manage exams, students can take them online, and the system automatically evaluates and displays results. Built using React, Spring Boot, and Tailwind CSS for a secure and user-friendly experience.

### Farmer-to-Customer Direct Food Supply Chain (MERN Stack)

- Created a website that connects farmers directly with consumers and local institutions, allowing farmers to sell their products online and earn fair profits. Customers can view product details, images, and prices before purchasing. Developed using HTML, CSS, JavaScript, and PHP to support easy buying and selling.

## EDUCATION

### Deogiri College of Engineering, Chh. Sambhajinagar

2022-2026

Bachelors of Technology in Computer Science and Engineering | CGPA: 6.5

Chh.Sambhajinagar

**Coursework:** Data structure and algorithms, Web Development, Operating system, Database management system (DBMS), Object Oriented programming

### Shree Swami Ramdas Higher Secondary School Chh. Sambhajinagar

2021-2022

HSC in Science | Percentage: 72.67%

Chh.Sambhajinagar
